

United Outstanding Physicians and Amagine, Inc. Announce New Health IT Relationship

Agreement to bring e-health resources to practices for
improved patient care and office efficiency

United Outstanding Physicians (UOP) is pleased to announce a new agreement with Amagine, Inc., a subsidiary of the American Medical Association (AMA), to bring the AMAGINE™ physician community portal, WellCentive and AMA ePrescribe to UOP physicians.

Physicians who utilize the AMAGINE/UOP tools will:

- Have the ability to meet the requirements for the federal Meaningful Use bonus of \$44,000 - \$63,000
- Possess the IT resources necessary to achieve Patient Centered Medical Home (PCMH) designation and participate in an Accountable Care Organization (ACO)
- Not have to purchase an Electronic Medical Record (EMR), and
- Not have to align with any one particular hospital system to obtain technology resources

AMA ePrescribe Allscripts™ (powered by Allscripts)

- Electronic transmission to pharmacy
- Prior adverse reaction checks
- Duplicate therapy checks
- Dosage checks
- Drug to drug interaction checks
- Formulary compliance checks

WellCentive Registry WellCentive

- Manage health needs for individual patients or entire patient populations
- Customizable patient alerts
- Care Management tracking system
- Comprehensive reporting tools

AMAGINE Physician AMAGINE™ Community Portal

- A single point of access to a variety of electronic health solutions, point-of-care support tools and resources
- HIPAA-compliant messaging among practices and patients
- Implementation and training team

UOP will initially purchase 100 one-year licenses for UOP PCPs.
